

**DPD Course List  
Required Supplemental Form  
To Be Completed By the DPD Program Director**

<b>DPD Program Institution:</b>	University of Arizona
<b>DPD Director:</b>	Mary Marian, DCN, RDN, CSO, FAND
<b>Website for Course Catalog:</b>	<a href="https://nutrition.cals.arizona.edu/undergraduate/bs-nutritional-sciences">https://nutrition.cals.arizona.edu/undergraduate/bs-nutritional-sciences</a>

<b>DPD Professional Courses</b>	<b>DPD Science Courses</b>
NSC 101 Introduction to Nutrition	MCB 181R General Biology
NSC 225 Foundation Skills	MCB 181L General Biology Lab
NSC 260 Nutrition Communication	MIC 205A Microbiology
NSC 301 Lifecycle Nutrition	MIC 205L Microbiology Lab or ACBS 380 Food Safety
NSC 308 Nutrition and Metabolism	
NSC 351L Food Science Lab	PSIO 201 Anatomy and Physiology I
NSC 351R Food Science	PSIO 202 Anatomy and Physiology II
NSC 325 Foundations of MNT	
NSC 325L MNT lab	CHEM 151 General Chemistry I with Lab
NSC 358L Institutional Food Mngt Lab	CHEM 152 General Chemistry II with Lab
NSC 358R Institutional Food Mngt	
NSC 395A Experiential Learning	CHEM 241A Organic Chemistry I
NSC 396A Career Seminar	
NSC 408 Nutritional Biology	
NSC 420 Nutrition Education and Counseling	BIOC 384 Fundamentals in Biochemistry
NSC 425 MNT I	BIOC 385 Metabolic Biochemistry
NSC 435 MNT II	
NSC 444 Community Nutrition	1 Additional Science courses such as: PHYS 102, PSY 383, SOC 350, CMM 425A, ECOL 326, PHCL 412 as well as other options (see advisor)
NSC 458 Foodservice Management	
NSC 495A Internship Preparation	
Statistics course (several options)
